

# Merritt LDAP-Based Access Control

## LDAP

Name:	LDAP
Version:	1.0 (2012-06-04)
Status:	Production
Specification:	<a href="#">Merritt LDAP Service</a>
Download:	Not available
More information:	<a href="#">Curation home page</a>

Currently, access to digital content managed in the Merritt curation repository is limited to registered and logged-in users only. These users are granted read-only or read/write access to content on a per-collection basis.
